Total Value \$.....

k. Other property, identify:

..... \$.....

Remarks or Additional Information:

The foregoing is submitted in compliance with Title 36, Section 705, Maine Revised Statutes 1964, as amended, and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors may require me to make oath of the foregoing; and that any of them may require me to answer in writing all proper inquiries as to the nature, situation, and value of any property liable to be taxed in the State of Maine; and that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the county commissioners.

Report of the Town Clerk

To the Selectmen of Greenwood:—

Number of marriages in 1973 — 10

Number of births in 1973 — 2

Deaths

In Locke Mills, Maine, April 2, 1973, Mildred C. Swan, age 70 years, born in Maine. Cause of death: ventricular failure and coronary sclerosis.

In Greenwood, Maine, July 13, 1973, James Harlan Andrews, age 38 years, born in Maine. Cause of death: asphyxiation and carbon monoxide inhalation.

In Locke Mills, Maine, November 10, 1973, Annie Mattie Jordan, age 76 years, born in Maine. Cause of death: myocardial infarction and coronary occlusion.

In Portland, Maine, November 27, 1973, Ray Kenneth Hanscom, age 61 years, born in Maine. Cause of death: metastatic melanomasarcoma, left frontal lobe of brain.

In Norway, Maine, December 13, 1973, Willie G. Yates, age 92 years, born in Maine. Cause of death: congestive heart failure, myocardial ischemia and severe anemia from G-I hemorrhage.

Respectfully submitted,

PHYLLIS COOLIDGE,
Clerk

Report of Fire Warden and Fire Chief

During the past year there have been nine fires in Greenwood consisting of the following: three chimney fires, one grass fire, one debris fire, one snow cat fire and three building fires. We also assisted at one building fire in the Town of Woodstock. Fifty-four packages of chimney cleaner have been distributed during the year.

The money which will be carried over into the New Equipment Account from 1972 is money which has been raised over a period of two years and was set aside for an alert system. The progress on this has been slow due to red tape and paper work on the County level. Bids for Oxford County's part of the alert system were just received this fall by the County Commissioner. Paper work has now been completed through the Civil Defense office at the County Building and it is hoped that they will absorb half of the expense of the equipment needed for this project.

During this past summer the department held training sessions one night a month. This included maintenance and operation of different kinds of pumps, operating trucks and equipment. It would be my recommendation that more training be carried on during the coming year.

Through donations to the department more equipment was obtained for the trucks including first aid kits, a generator, smoke ejector, ladder, flood lights and other small but necessary items. The department wishes to thank all individuals and organizations for their help and cooperation during the past year.

**RAYMOND A. SEAMES,
Fire Chief and
Town Forest Fire Warden**

Androscoggin Home Health Services, Inc.

December 11, 1973

Board of Selectmen
Town Office
Greenwood, Maine

Dear Sirs:

Since our founding in 1966, the Androscoggin Home Health Services has progressively increased its capability to meet health needs in the "Tri-County" region. There are, to be sure, numerous reasons for this, not the least of which is a growing national awareness that in-home health care is a necessary and important part of a good health care system. One of the major attributes of a home care program is that it often enables patients to receive appropriate care at home, rather than in a more costly institutional setting.

Much of our success to date derives from the strong and continuing support we have received from the many communities of the region. Despite the fact that a large portion of our operating costs are met through third-party payments from sources such as Medicare, Medicaid and various private insurance plans, it is municipal support which has enabled us to serve people on the basis of need. As you all know, not all people have insurance coverage, or adequate coverage, and the cost of a long-term illness hits this group particularly hard. It is local funds which enable us to reach these people in need.

So that we may continue to serve the people of the region and your community, we are again asking all communities for contributions in the amount of 30 cents per capita. (Attached to this letter is a suggested article to this effect.)

Our willingness to request an appropriation from general revenue carries with it the obligation of account-

ability for use of such funds. Over the years we have tried to keep you informed of our activities through periodic reports. Recognizing that these may be less than adequate, I would again invite your inquiries.

In the past I have attempted to meet personally with as many Boards of Selectmen as possible to support our request. With the fuel crisis upon us, I'm not sure at this time how available I will be to you, but I hope you will request my appearance if you feel it would help clarify our program.

Thanking you for your cooperation, I am,

Sincerely yours,

RICHARD H. HOOPER,
Executive Director

CONSERVATION COMMISSIONS, PARKS AND TREES

Title 30, M.R.S.A., CHAPTER 229

Subchapter II, Conservation Commissioners

Section 3851. Conservation Commissions

Municipalities may establish conservation commissions. The municipal officers may appoint 5 conservation commissioners, to hold office 1, 2, 3, 4 and 5 years, respectively, and after the first year choose annually a commissioner for 5 years in place of the one whose term expires. Such commission may have the care and superintendence of the public parks and, subject to the approval of the municipal officers, direct the expenditure of all moneys appropriated for the improvement of the same. Such commission shall conduct research, in conjunction with the planning board, if any, into the local land areas and shall seek to coordinate the activities of conservation bodies organized for similar purposes and may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets which in its judgment it deems necessary. It shall keep an index of all open areas, publicly or privately owned, within the municipality, including open marsh lands, swamps and other wetlands, for the purpose of obtaining information pertinent to proper utilization, protection, development or use of such open areas and may recommend to the municipal officers or any municipal body or board, or any body politic or public agency of the State of Maine a program for the better utilization, protection, development or use of such areas, which may include the acquisition of conservation easements. Any body politic or public agency of the State of Maine conducting planning operations with respect to open areas within a municipality having a conservation commission shall notify such conservation commission of all plans and planning operations at least 30 days prior to the implementation of any action thereunder. A Conservation Commission may acquire land in the name of the municipality for any of the purposes set forth in this section with the

approval of the legislative body. A commission may receive gifts in the name of the municipality for any of its purposes and shall administer the same for such purposes subject to the terms of the gift. It shall keep records of its meetings and activities and shall make an annual report to the municipality to be published as part of the annual municipal report.

As used in this section "open areas" means any space or area the preservation or restriction of the use of which would maintain or enhance the conservation of natural or scenic resources, protect natural streams or water supplies, promote conservation of swamps, wetlands, beaches, or tidal marshes, enhance the value to the public of abutting or neighboring parks, forests, wildlife preserves, nature reservations or sanctuaries, or other open areas or open spaces, affect or enhance public recreation opportunities, preserve historic sites, implement the plan of development adopted by the planning commission of any municipality, promote orderly urban or suburban development.

Nothing in this law shall be construed to require a municipality which has heretofore constituted a park commission under prior law to establish a conservation commission, and any such park commission heretofore established may continue to operate as originally established.

Section 3852. Failure to elect;
function of municipal officers

If any municipality, having taken lands as provided, fails through its municipal officers to appoint a board of conservation commissioners, the municipal officers shall have and exercise all the powers and duties of such commissioners, except as provided in sections 3853 and 3854 and subchapters III and IV. Every municipality, although containing less than 1,000 inhabitants, may appropriate money for the purposes of sections 3802 and 3803.

Section 3853. Park commissioners

Notwithstanding the law relating to conservation commissions, municipalities and village corporations are authorized and empowered to elect or appoint 5 park com-

missioners, to hold office one, 2, 3, 4 and 5 years, respectively initially, and after the first year choose annually a commissioner for 5 years in place of the one whose term expires. Such commissioners shall have the care and superintendence of the public parks, and, subject to the approval of the municipal officers, direct the expenditure of all moneys appropriated or available for the improvement of the same.

Section 3854. Supervision of shade trees

All public shade trees may be under the care and control of conservation commissioners in municipalities which now or hereafter may appoint such commissioners in accordance with subchapters I, II and V. As to all such trees said conservation commissioners may have the powers and duties conferred upon tree wardens.

Effective 9-23-71

NOTICE

In accordance with the provisions of Chapter 91-A, Sec. 34, R.S. 1954, amended, all resident and non-resident owners are hereby notified to bring in to the Assessors, on or before April 1, 1974, a true and perfect list of their polls and estates, real and personal of which they are possessed on the first day of April, 1974, and be prepared to take oath to the same. Any person who neglects to comply with this notice is barred his right to make application to the Assessors or County Commissioners for any abatement of his tax unless he satisfies the Assessors that he was unable to offer it at the time appointed.

NOTICE

Dog licenses are due and payable on January first. On all licenses not paid before the first day of April an additional charge of \$3.00 will be made for collecting in accordance with the provisions of the Revised Statutes, Chapter 100, Sec. 14, amended.

Respectfully submitted,

Earl V. Colby, 1st Selectman

Herbert E. Dunham, 2nd Selectman

Kenneth L. Roberts, 3rd Selectman

Reprint from 1970 Town Report — Dog Ordinance

1974 DOG CONTROL ORDINANCE

1. Dog to be licensed in accordance with the statutes of the State of Maine. No dog shall be kept within the limits of the Town of Greenwood, County of Oxford, State of Maine, unless such dog shall have been licensed by its owner in accordance with the statutes of the State of Maine.

“Owner” shall be intended to mean any person or persons, firm, association or corporation owning, keeping or harboring a dog.

2. Dogs not to be permitted to run at large. It shall be unlawful for the owner of any dog, licensed or unlicensed, to permit such dog to run at large.

“At Large” shall be intended to mean off the premises of the owner and not under the control of any person by means of a chain, rope, or cord of sufficient strength to control the action of such dog (or such other personal presence and attention as will reasonably control the conduct of such dog).

3. Duties of Police Officers and person having control of impounding. Any police officer within the Town of Greenwood, shall seize, impound or restrain any dog kept in violation of Section 1, and any dog running at large, and deliver such dog to the person who is duly authorized to have control of impounding. If the owner of such dog is known or can be located with reasonable diligence, then the person who has control of impounding shall personally notify the owner within three days of the receipt of such dog. If the owner of such dog is not known and cannot be located with reasonable diligence, then the person who has control of impounding shall post, within forty-eight hours of the time such person shall have taken such dog into his possession, written notices in three public places in the municipality, giving a description of the dog, stating where it is impounded and the conditions for its release. If the owner within seven days after receiving notice, or within seven days after notice has been posted, does not

claim such dog, then the person having control of impounding shall dispose of the dog by sale or otherwise, in a proper and humane manner.

The person having control of impounding shall keep a record of every dog disposed of by sale or otherwise. Such record shall include (a) a description which identifies the dog with reasonable certainty (b) the manner of disposing of the dog, and (c) if the dog was transferred to another person, the name and address of the transferee. In addition, the transferee must sign a statement giving his name, address, and the date of delivery or receipt of the dog.

4. Conditions of release. Section 2, provides that the person giving notice shall with such notice give the conditions for the release of the impounded dog. Before such dog may be transferred to another person, (a) such dog shall be vaccinated with anti-rabies vaccine, or the transferee will show proof of vaccination within the previous year (b) such dog must be licensed in accordance with the statutes of the State of Maine, and (c) the transferee shall pay to the municipal treasurer the sum of \$5.00, the sum of (actual cost) for vaccination, and the sum of (actual cost) per day for each day, or part thereof, the dog has been impounded.

5. Penalties. Instead of seizing and impounding the dog, the Town of Greenwood, may prosecute the owner of any dog running at large, and any person upon conviction thereof shall be fined not less than \$10.00 nor more than \$20.00, plus the costs of prosecution.

6. Vaccination. It shall be unlawful for the owner of any dog older than four months, less one day, to keep, maintain, or permit to run at large, such dog, unless it has been vaccinated by veterinary surgeon with anti-rabies vaccine, within one year preceding the date on which such dog is kept, maintained or permitted to run at large. Any person found violating this provision shall be fined not less than \$10.00, nor more than \$20.00 plus costs of prosecution.

7. Repeal of conflicting ordinances. All existing ordinances of the Town of Greenwood are hereby repealed inso-

far as they may be inconsistent with the provisions of this ordinance.

8. Separability of provisions. It is the intention of the municipality that each separate provision of this ordinance shall be deemed independent of all other provisions herein, and it is further the intention of the municipality that if any provision of this ordinance be declared invalid, all other provisions thereof shall remain valid and enforceable.

9. Effective date. This ordinance shall be in full force and effect 10 days from its passage, approval and publication.

Report of Auditor

January 22, 1974

Board of Selectmen
Greenwood, Maine
Gentlemen:

In accordance with the provisions of Title 30, Section 5253, Revised Statutes of 1964, and at your request, the financial records of the Town of Greenwood have been audited for the municipal year ended December 31, 1973.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Transactions effecting Federal Revenue Sharing Funds were examined in accordance with the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, U. S. Department of the Treasury.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operation of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN
Public Accountant

COMMENTS

January 1, 1973 to December 31, 1973

An audit of the financial records maintained by the various officers of the Town of Greenwood has been completed for the municipal year ended December 31, 1973.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

ASSETS The general fund cash balance of \$16,948.60 was reconciled with a statement furnished by Casco Bank and Trust Co., Bethel, Maine.

Accounts receivable of \$667.32 consisted principally of balances due from individuals for highway services.

Taxes receivable of \$16,093.32 represented the uncollected balance of the 1973 commitment of \$16,035.94 and a balance of \$57.38 from prior years.

Tax liens amounted to \$1,411.67 at the year end, while tax acquired property totaled \$1,222.26.

LIABILITIES Notes payable reflected on the balance sheet under "Debt Fund" amounted to \$8,400.00 at the year end. Notes totaling \$2,400.00 were issued by authority of Town meeting vote and applied to the purchase of a new highway truck.

SURPLUS Appropriation account balances carried forward to the ensuing year amounted to \$10,060.59, and represented departmental balances carried forward at the direction of the Selectmen.

The unappropriated surplus amounted to \$25,815.89 at the year end, an increase of \$5,519.17 for the period. This increase was occasioned principally by net departmental balances lapsed to surplus amounting to \$9,022.95.

GENERAL A review of the Town Clerk's records revealed the Selectmen were authorized to purchase a new highway truck and sander, and to borrow \$2,400.00 and transfer \$10,000. from Revenue sharing funds for the purpose.

REVENUE SHARING FUNDS received from the State amounted to \$4,963.39, which was applied to reduce taxes. Federal revenue sharing funds available amounted to \$34,878.92, of which \$17,500.00 was used as voted by the Town. Detail is shown on Exhibit F.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were utilized to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at December 31, 1973, and the result of its operations for the year then ended.

GREENWOOD LITTLE LEAGUE

The Greenwood Little League in 1973 finished its most successful season that it has ever had. In the seven years that we have been in the Northern Oxford County Little League, this was the first year that we have ever finished in first place.

We ended up the season tied with Rumford Point for first place. In a playoff game held at Bethel, we won 13-9 in extra innings to finish with a record of 11 wins and 2 losses for the season.

The highlights of the season were Steven Kuvaja hitting three consecutive home runs against the Bethel Braves at Bethel, Richard Chase coming in the playoff game and pitching three scoreless innings to enable us to win and Steven Kuvaja hitting two of the longest hits I have ever seen by a Little Leaguer in the All Star game played at Rumford Point.

At the end of the season, a banquet was held at the Legion Hall in Locke Mills to honor the Little League team. All of the members received a trophy. The individual winners were Alan Dunham, most singles (12); Donald Hebert, most doubles (7); Richard Chase, most triples (2); Steven Kuvaja, most hits (21), most home runs (8), highest batting average, .466, and most Valuable Player Award.

After coaching the Greenwood Little League for 7 years, I am forming a Pony League for players ages 13-16 from the towns of Greenwood and Woodstock in 1974. I would like to thank the townspeople for their support of the team throughout the past years.

I must thank Chuck Melville, Arnold Jordan, John Chase, Marvin Cole, and Leland Dunham for umpiring all these years. Thanks also go to Nonie Cole, Arlene Lim-

rick and Gary Dunham, for being scorekeepers and Owen Morgan, Harry Swan, Jr., Marvin Cole and John Chase for assisting me over the past seven years.

Sincerely,

HERBERT E. DUNHAM

Coach of Greenwood Little League
1967-1973

This is in accordance with Title 30, Section 5106 M. R. S. A. of 1964, as amended.

Article 64. To see if the town will vote to raise and appropriate the sum of \$140. for the Western Older Citizens Council, Inc.

Article 65. To see if the town will vote to raise and appropriate the sum of \$200 for Colby-Bates-Bowdoin Public Television.

Article 66. To transact any other business that may legally come before said meeting.

The registrar will be at the Town Hall at 9:30 o'clock on the morning of said meeting for the purpose of correcting the list of voters.

Hereof fail not and have there this warrant with your doings thereon.

EARL COLBY

HERBERT DUNHAM

KENNETH L. ROBERTS

REPORT TO THE TAXPAYERS OF GREENWOOD

The Selectmen continued the policy that it started in 1970 by measuring buildings and making adjustments if warranted. All lots increased valuations according to size and location.

Wood land owners have been notified of the Maine Tree Growth Tax Law. This law values woodland on its stumpage value and not on its market value. Any owner that has 10 or more acres in one parcel may qualify under this law. Those that have not filed will receive a substantial increase for the year of 1974.

There have been, in 1973, several new laws passed that will have an impact on our Town. The Welfare Bill that went into effect in October, 1973, has increased our Town Poor appropriation from \$200 to \$2,000. The School Bill should help provide relief from the ever increasing taxes from S. A. D. #44 depending on our State valuation. Under this law, all towns, by 1980, must be mapped out and Assessors must be certified by the State.

We are again requesting a sum of \$3,996 to be raised for reconstruction of the road in front of Arnie Javanpaa's. With the matching funds and bonus this will amount to \$14,265.72. Town Road Improvement Money will be used in the Irish Neighborhood for a culvert and in all probability on the Richardson Hollow Road. The Sanborn River Bridge has been built and with the balance plus the appropriation of \$900 to be used for a culvert on the Hayes Hill Road that was requested in 1972.

By the end of 1974, all our notes on town equipment will be paid off except the bucket loader which will be paid for in the following year of 1975.

The firemen are requesting a sum of \$11,900 to be raised towards construction of a fire building. This sum will be off-set by a request of \$11,900 from the Federal Revenue Sharing Trust Fund for Winter Roads. Due to Federal Guide Lines, it is not feasible to use Federal Reserve Trust Money for construction as you are required to pay union wages.

The mapping of the town will be completed by July. Tax bills may be later than usual as the Selectmen will use acreage as determined by the mapping company.
